Re: Television Station WVEO-DT
Facility ID 61573
Aguadilla, Puerto Rico
Request for Waiver
MB Docket No. 03-15

Dear: Ms. Dortch:

On behalf of International Broadcasting Corporation (IBC), licensee of television station WVEO-DT, Aguadilla, Puerto Rico, waiver of the July 1, 2006 replication/maximization interference protection deadline is respectfully requested with respect to the digital operation of WVEO-DT. Station WVEO-DT has been providing digital television service to Aguadilla since February, 2003 pursuant to special temporary authority granted February 13, 2003.. On July 6, 2006 IBC filed an application to modify its existing digital construction permit. Approval of this modification application will permit WVEO-DT to commence broadcasting in accordance with Commission requirements as soon as it receives the appropriate equipment to accomplish such operation.

Enclosed with this letter are copies of April 23, 2006 order sheets from Thales Broadcast & Multimedia, Inc. listing the equipment ordered by IBC to complete construction of its digital facility proposed in its modification application. As soon as this equipment is received, taking into account the delay in shipping, and assuming grant of the appropriate authorization, IBC will commence construction. The cost of this new equipment, \$192,793, is in addition to the cost of WVEO-DT's prior digital costs, aggregating \$172,519, not including legal fees. It should also be noted that WVEO-TV-DT operates as a satellite station for commonly owned WTCV-DT, San Juan, Puerto Rico, which has a pending application for license for its digital television facility. BLCDT-20040722ADD. See Canal 48, Inc., 8 FCC Rcd 2193 (1993)

It is clear from the foregoing that IBC is committed to digital television operation. IBC has expended substantial monies as an independent television licensee to accomplish digital

operation on its television stations in Puerto Rico, including WTCV-DT, WVEO-DT and its other satellite facility, WVOZ-DT, in Ponce. In consequence, there is good cause for grant of this waiver request.

Very truly yours,

RE: Thales Contract #6484TDUIK5AV-061306 WVEO-DTV 17 Aguadilla, Puerto Rico

Dear Mr. Collazo,

This letter is response to your request for specific information regarding delivery on the above order for the THALES Type TDU2 1K80 ATSC 1.5kW Air Cooled, Solid State, 8-VSB Digital Equipped UHF-TV Transmitter that was placed by International Broadcasting Company.

With respect to your request for delivery in June, given the resources available to us and the long lead-time on frequency sensitive components, a June delivery is not possible. We are currently anticipating a ship date from the factory in October-November 2006 time period although if we are able to ship sooner, we will do our best to do so.

If you have any questions, please contact either Mr. Fernando Monetti or me (413-998-1104 christopher.shea@us.thales-bm.com) at your earliest convenience.

Sincerely,

Christopher J. Shea
 Director of Contract Operations
